

# The Seventh Day of Creation

“And God blessed the seventh day and made it holy.” Genesis 2:3

- Review the 6 days of creation, according to the events listed in the first column.
- In the second column, write the scripture reference in Genesis ch.1 or 2, where the Bible tells us that this event took place.
- In the last column, state which particular creative “DAY” from 1-7, it refers to.
- The first one has been completed for you as an example.

| CREATION EVENT                                     | SCRIPTURE VERSE | CREATIVE DAY    |
|--|-----------------|-----------------|
| God made man.                                      | Genesis 1:27    | 6               |
| Sun and moon - two great lights to govern the sky. |                 |                 |
| Vegetation and plants.                             |                 |                 |
| Earth was empty and without form.                  |                 | Before creation |
| Animals and livestock<br>Cattle and beasts         |                 |                 |
| Light appears. Day and Night                       |                 |                 |
| Sky or firmament                                   |                 |                 |
| Birds and fish                                     |                 |                 |
| God rested   |                 |                 |
| Earth and seas divided                             |                 |                 |

Write a sentence to show what you learned about the following from lesson 8.

Resurrection: .....  
.....

Millennial Age: .....  
.....

Restitution: .....  
.....

Complete these words:

The attributes of God are:

L..... P..... W.....J.....
