

Mother Eve Created

“For this reason a man will leave his father and mother and be united to his wife, and they will become one flesh.” Genesis 2:24

God blessed the marriage of Adam and Eve and said to them “Be fruitful and increase in number and fill the earth.” (Genesis 1:28) If it were possible, you could trace your family tree back to Adam and Eve. People are still multiplying and filling the earth. Have you thought about how each family contributes to this? Use this chart to plot a small section of your family tree on your father’s (paternal) side, to determine the number of descendants.

Your father’s parents’ names

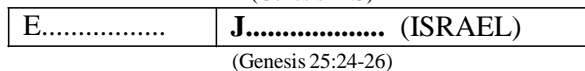

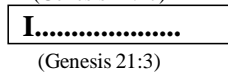

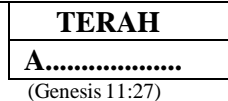

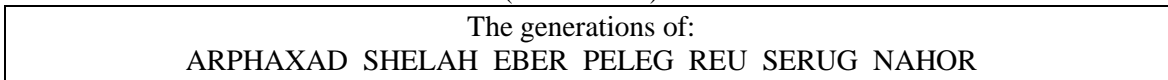

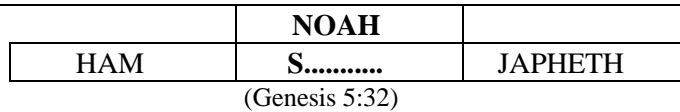

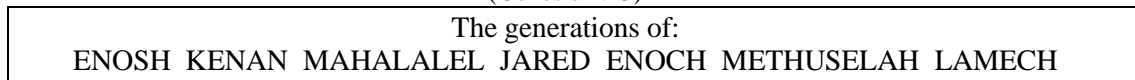

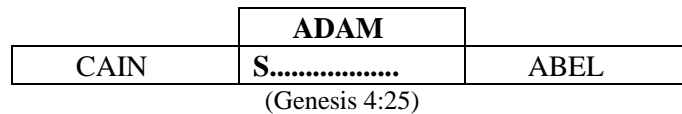

Write the names of your father’s brothers and sisters - one in each box.

List the names of their children (your cousins) in the box underneath their names.
