

Saul Disobeys God

“Why did you not obey the LORD? Why did you pounce on the plunder, and do evil in the eyes of the LORD?” 1 Samuel 15:19

Circle the correct answer:

The king received special instructions from:

(Saul) (the Amalekites) (King Agog) (Samuel)

Samuel was a:

(captive) (wicked person) (prophet) (soldier)

The Amalekites were:

(wicked people) (followers of God) (friends of the Israelites)

Israel fought a war against:

(Samuel) (Saul) (King Agag) (David)

Saul's sin was that he:

(killed Agag) (killed the Amalekites) (saved the best animals)

Saul explained to Samuel that he saved the animals because:

(they were worth a lot of money) (they would be needed for food)
(he planned to sacrifice them to God) (he loved animals)

Samuel replied that:

(Saul's sacrifice would please God) (the people would enjoy the food)
(to obey God's instructions was better than any sacrifice)

The lesson says that the Amalekites will:

(be tormented forever in hell) (go to a horrible place)
(be resurrected back to life on earth) (have no hope)

Ordinary people will be resurrected because of:

(how they died) (where they died)
(Jesus' resurrection) (who killed them)

One of the wonderful truths taught in the Bible is:

(everyone will have a Bible of their own) (all people will be resurrected)
(the Amalekites will all be destroyed) (no sinners will be resurrected)

This will give all people a chance to:

(choose to be resurrected) (read all the Bible stories for themselves)
(come to know about God's plan when Messiah rules)

We are able to understand much of God's plan now because:

(we can learn it all on television) (we have Bibles to read and study)
(there are a variety of books in libraries)
